March'21 has been a milestone month for the company! Flipspaces has marked its entry into the technology business with the launch of Vizstore - a web platform that allows retail store owners to showcase their products digitally.

With the launch of the visionary platform, we will be able to open the company's opportunities to reach a very large segment of customers across the globe and that will help us drive growth in ways that were not possible before.

The application in its current form is able to run on smartphones, tablets & laptops. There is no need for a high-end device to run the app which lowers the barrier of entry for our customers making it easy to use & easy for us to sell.

We have realized with our Design & Build business that the way we present our designs matters a lot while closing deals & VizWalk has been able to help us do that. In the same way, we believe that VIZSTORE will provide our customers with the power to present their products to their clients in the best way possible.

Go experience the product yourself at <https://vizstore-frontend.netlify.app/>

Here are the credentials:

Username: test@flipspaces.com

Password: vizstore

OTP: 100100

We look forward to hearing your feedback on the product.
Onwards & upwards!

SOLARIS BUSINESS HUB

Solaris Business Hub is a commercial development in **BHUYANGDEV, AHMEDABAD**. The project is built by Aaryan Builders. They provide commercial shops and office space with all necessities. It is approved by Gujarat RERA. Conceptualized, designed and built on such a larger than life colorful canvas, every aspect of the project deserves the prefix 'exceptional'. Discover the marvel called 'Solaris Business Hub' and the beginning of endlessly cherished moments.

PASTEL

Can Virtual Technology Help In Reshaping The Future Of Furniture Retailing

Virtual technology offers customers the information that was not possible to achieve previously in physical stores, enabling customers to select what they want to view and how they want to view is how the industry has evolved overtime

A woman in a saree is seen from the side, looking at a display in a gallery. The background is a dark room with a yellow wall on the left and a white wall on the right. A sign on the white wall says "Let's talk". The floor is made of light-colored tiles. A dark wooden chair is visible in the foreground on the right.
