FLIPNOTE

June has unlocked new business opportunities and avenues for us with multiple projects in the pipeline. This month seems to bring in new hopes and aspirations as our multi-dimensional business is soaring high. Our expansion in the US market has added new international projects to our portfolio that give us an edge as a global service provider. The growth of Vizstore was multifold in the last quarter and we are looking forward to continuing the same in coming quarters.

KUMAR SHANU

Business Head - VIZSTORE

With VIZSTORE & VIZTOWN gearing up for the season, we can confidently position ourselves as a global tech-focused organization that breeds innovation and scale-up potential across our portfolio.

Let creativity grow, innovation bloom, and hard work thrive to gain success through conceptualization and execution of your dreams.

INDIA

Design & Build

INDIA D&B OUTLOOK

- Aimtron

USA

Design & Build

US D&B OUTLOOK

Driven by creativity and a desire to stand apart, it has been our constant endeavor to stay in the forefront of designing a new space. Our US business has been growing steadily with multiple new projects added last month:

- Nara Lounge
- KCL Robotics
- Vital Chemicals LLC
- Castor Nursing Home

VIZTOWN

PropTech

VIZTOWN HIGHLIGHTS

Major scale up project is in process to increase the onboarding counts of builder partners along with strengthening the product technology by bringing in new features. We have onboarded several new projects this month, notably:

- Hiranandani - The Quantum,
- MMR Group - 52 Avenue
- Greenscape Developers - CBD 14

VIZSTORE

Retail Tech

VIZSTORE, a revolutionary technology that has promised to bring forth the digitalisation in furniture & furnishing industry has been growing multi-folds every month. We are offering our retail partner's free trials. We have successfully empanelled over **260+ counters** PAN India in June and **500+** till date. As the markets are reopening and the business is growing, we are targeting to achieve more numbers here.

We have successfully implemented trainings for over **75+ counters** in the past month with the numbers growing every day.
