FLIPNOTE

The efficacy and citing growth of business and progressive recovery from the aftermath of the pandemic accompanied by our unmatched technology suite is facilitating our business growth across the globe. Deviating ourselves from the dabble to survive, we have focused ourselves in scaling our business through commercial interior design and build to create a leadership position in the industry. The consistency of our achievements has been felt across all our business verticals.

With 100% customer satisfaction as the strongest validation, we firmly believe that our powerful technology will disrupt the design and build industry which is on a growth spurt every quarter.

VIZSTORE

Retail Tech

VIZSTORE HIGHLIGHTS

VIZSTORE has supercharged the retail industry with its revolutionary technology by solving the real pain points of the furniture and furnishing industry. Our free trials are aimed at accustoming our audience to the technology for maximizing the benefits. We have successfully onboarded **3 distributor partners** with more than **2500+ unique enquiries** in just one month. We are hoping to increase these interactions with our technology by two folds in the next quarter.

On the adoption side, it is heart warming to hear the success stories of our platinum partners who accredit their business growth to VIZSTORE. [Click to watch](#)
